The Visit Of Pope Benedict To The United Kingdom

Your Excellency,

May I offer to you on behalf of the Traditional Anglican Church In Britain, Greetings In The Name of Our Blessed Lord Jesus Christ

I would be very grateful if you could convey to His Holiness Pope Benedict, our warmest love and gratitude for coming at this time of great uncertainty to the United Kingdom.

His visit is most welcome and I pray very successful. We all keenly await his words and message.

The Holy Father is to be thanked and praised for his witness and steadfastness in these challenging and changing times.

May the Holy Angels Guard and Protect him.

May I assure you of my Prayers and Best Wishes

In Christ Jesus

Father Ian Gray
